Application Form

Overview

The PhD and Postdoc Mobility Program is aimed at European-based AI PhDs and postdocs visiting the ELIAS/ELLIS network for a research exchange with an Industry/ Startup or Academic institution at another site in Europe.

ELIAS/ELLIS-external participants can apply for a mobility grant if the following conditions are fulfilled:

1. The visit should contribute to the ELIAS project.

2. Both advisors are ELLIS members

3. One advisor must either be an ELLIS Fellow/Scholar OR an ELLIS Unit Faculty.

Terms and Conditions

Please read the Terms and Conditions for application carefully before filling out and submitting this form. They can be found at https://elias-ai.eu/mobility-program/

Submitting Your Application

Applications are possible year-round, but should be submitted no later than **1 month** before the starting date of the exchange visit, as they need to be processed by the ELIAS PhD & Postdoc Mobility Committee. Applications should be sent to 'phd@ellis.eu' with the subject line: 'Application ELIAS Mobility Grant: Applicant's Last Name'; the two supervisors should be cc'ed and support the application.

1. PhD Student/Postdoc

Name:

E-mail:

Phone:

Affiliation:

Country:

Career stage:

ELLIS Membership:

ELIAS Membership:

2. Supervision

Enter the names and ELLIS role of the advisor of your home institution and your host institution (travel destination). If your advisor is a 'Fellow' or 'Scholar', he or she is automatically also a Member but will in addition be listed on the Fellows page as either a 'Fellow' or 'Scholar'. All ELLIS Members are listed on the Members page.

Primary advisor, home institution

Name:

E-mail:

Affiliation:

Country:

ELLIS Membership:

Secondary advisor, host institution

Name:

E-mail:

Affiliation:

Country:

ELLIS Membership:

3. Travel Expenses

Starting date of the visit:

End date of the visit:

Estimated amount, in EUR:

Describe the expected travel expenses. Please consult the Terms and Conditions for more information about eligible and non-eligible costs. We strongly encourage travel by train. Note that the upper reimbursement limit is 2,400 EUR.

4. Purpose of the visit

Indicate at least 1 and up to 5 research fields that your work / the exchange will contribute to.

  Geometric Deep Learning
  Robust Machine Learning
  Interactive Learning and Interventional Representations
  Machine Learning and Computer Vision
  Robot Learning
  Human-centric Machine Learning
  Theory, Algorithms and Computations of Modern Learning Systems
  Quantum- and Physics-based Machine Learning
  Natural Intelligence
  Health
  Machine Learning in Earth and Climate Sciences
  Natural Language Processing (NLP)
  Multimedia / Multimodal Information
  Information Retrieval
  Explainability and Fairness in Data Mining
  Symbolic Machine Learning
  Trustworthy Machine Learning
  Interpretability and Fairness
  Law and Ethics
  Machine Learning in Chemistry & Material Sciences
  Other:

Briefly describe how the visit contributes to the ELIAS project and mention the specific Work Package involved (see the **attached page**)

5. Terms and Signature

I have read and agree with the Terms and Conditions of the PhD & Postdoc Mobility Program (available at https://elias-ai.eu/mobility-program/).

I agree that the personal data included in this form will be processed for the purposes of the PhD & Postdoc Mobility Program.

I agree to submit the Reimbursement Form to phd@ellis.eu within 1 month after the travel.*

I agree to acknowledge travel support from ELIAS in any publications resulting from the visit.*

*Instructions will be sent with the approval of your application.
